The Bisley stationery cupboard is the cornerstone of our 'Fast Track' range of affordable 'storage essentials' available for quick delivery. A neat and economical design, it can almost go unnoticed, but it is deceptively spacious with room inside to meet the majority of storage needs.

- Supplied complete with dual purpose shelves
- Three-point locking mechanism for security
- Unobtrusive integrated handle
- Hard wearing textured paint finish
- Shallower 400mm depth means smaller footprint
- Mastered lock with 200 differs
